ANNOUNCEMENTS & BUSINESS:

Ron to present Michael Josiah with a scholarship award from the Madison DX Club. He studies Electrical Engineering at UW-P and is taking in a co-op (extended internship) at UTC Aerospace in Rockford.

Remote base controller discussion and demo by Mark. He put in automatic messaging (i.e. nets, the meeting, and other club events) and it's able to run on a scheduler. Several touch-key codes for responses.

Lancaster and Platteville received grants for improvements to HAM equipment.

Pictures and map will be available on blog.
