

Field Day is here !

Our club will participate in the worldwide ham radio Field Day this June 24-25.

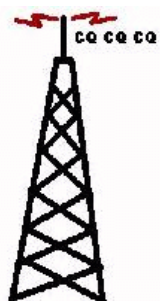

More than 35,000 U.S. hams will participate in their annual Field Day from Saturday at 1 p.m. until Sunday at 1 p.m.

Field Day is an emergency exercise in which we hams assemble a radio station away from our homes using alternative power sources such as batteries, portable generators, or solar energy for 24 hours. We will be making as many contacts in the U.S. and foreign countries as possible.

We will set up our emergency equipped stations in the parking lot across from the new engineering building on the UW–Platteville campus on the corner of Southwest Road and Longhorn Drive.

One station will be available to let visitors make contacts under the supervision of licensed FCC ham operators. Many people in Southwest Wisconsin are not aware of the contributions to the area rendered by local hams. Let's make a good impression!

BUSINESS

New Business:

Hap KC9BGA / Peg KB9LIE motions for approval of the Meeting Minutes. Approved

Kent K9ZMU would like a picture of members in there shacks and contact cards. Any pictures of our members in action are welcome.

Alvin KC9MCC is planning a work adventure at the repeater site's shack scheduled for Saturday, May 27th. Bring drill. Contact Dustin KC9JKV / Alvin KC9MCC / Joe KD9HAE for more details.

Field Day is coming up in June. Setup on Friday may be pushed back till 3pm. Operators and public are welcome to join us. We will have plenty of radios and antennas setup. Field day is Saturday and Sunday June 24-25th in the parking lot of the UW-P engineering building.

Hap KC9BGA is looking for volunteers for this year's emergency scenario planning meeting.

Joe KD9HAE is investigating taking over the position of Southwest Health Liaison.

Kent K9ZMU is hosting our club's transmitter hunt this fall (possibly August 12th). Kent has a few tricks up his sleeve for the fox. Prize will be a Trophy!

HVARC CLUB INFORMATION

Club dues are \$20.00 per year for individual, and \$25.00 per year for a family membership. We also recommend a \$20.00 per family yearly donation for support of the repeaters. To support your club please send your dues to: HVARC Treasure Scott Onson KD9GBJ, PO Box 620, Platteville WI, 53818.

The Hidden Valleys Amateur Radio Club meets on the second Tuesday of each month at the Southwest Health Center on the South East side of Platteville WI. The meeting is at 7:00 PM and anyone with an interest in radio is welcome to attend. We also meet each Sunday evening at 7:30 PM on the NOWLU Repeater at 146.895 MHZ. with a PL tone of 114.8 All licensed Amateur Operators are welcome to check in.

Please check out the club web site at: <http://www.kc9kq.net> Thank You to Scott Onson, KD9GBJ, for hosting our club web site.

Newsletter Editor is Dustin Westaby, KC9JKV, and can be reached at dustin.westaby@gmail.com

VILLAGE OF
HAZEL GREEN
WISCONSIN

Point of Beginning

Phone: 608-854-2953 • Fax: 608-854-2417
1610 Fairplay • PO Box 367 • Hazel Green, WI 53811
Chief of Police, James Monahan - police@villageofhazलगreen.org

The Hazel Green Police Department is looking for as many amateur radio operator as I can get for Monday, July 3,2017,in Hazel Green. We are having the Golden Knights land at the high school as well as a very large helicopter.

Operators to work on streets that will be closed off, in areas where people will be parking to watch for theft, and walking around in the crowd watch for any medical issues that need to be relayed to EMS/Fire/Police. **Operators will not handle traffic control. This will be done by the Grant County Sheriff's Department as well as the Hazel Green Fire Department.**

Operators that are on the closed street may also be asked to address issues as the helicopter comes in. If they see something that prevents them from landing (people to close, objects that could go flying, etc).

What do you need to have?

- VHF HT Radio
- Reflective vest if you have one.
- Sunscreen / Bug spray
- A chair if you want it
- Sun hat if you need one.

145.750 simplex will be for radio operators.

We will meet at the police department garage on Main Street behind the village hall at 8 am. The helicopter will be leaving at 1 pm. We are looking for as many operators as possible. The more the better. We can find things for everyone to do.

Point of Contact / Net Control
